The Croquet Association (CA) is changing its membership structure so that, as a playing member of this club, you are entitled at no extra charge to become a Standard Member of the CA (if you do not currently subscribe individually to it). The principal benefits of taking up this Standard Membership offer include:

- Free Croquet Gazette mailed to each member for the first year of membership, so they can keep up to date with everything in the 'Croquet world'. There will be new pages tailor-made for new CA members
- Access to the online Tournament Entry System enabling swift, accurate entry to participating tournaments
- Opportunities to gain awards based on both croquet skills and other contributions to the game
- Maintenance by Members of their own records, including handicaps
- Voting rights which deal with current issues and future policy, so they'll be able to influence CA policy and have a hand in developing the future of our fascinating sport
- Access to the Members' Area of the CA Website (which includes the CA Directory, CA Minutes & Papers, Selection Event Availability, Surveys & Voting and Membership administration)

To take advantage of this your consent is required, so that we may share your contact and other details with the CA, and for you to appear in the directory in the Members Only section of its website. For information about the data to be shared and how it will be used, please see
