

## **Guidance for members using lawns outside club hours**

We want everyone to enjoy our lovely facilities safely and to leave them in good condition. More information may be found in the constitution and bylaws on the website and in the club Library.

Enjoy your session!

1. When the clubhouse is being used, the fire doors must be unlocked.
2. Everyone must be signed in.
3. Great care must be taken that the hoops are set out correctly.
4. Under no circumstances may the tournament holes be used.
5. Guests must be entered in the visitors' book and green fees paid. £10 pp.
5. Swishing must be done if there are worm casts. (Treading them in results in dead spots on the lawns.)
6. Lawns must be cleared at end of play and equipment returned and correctly stored.
7. Any accidents should be recorded in the accident book and reported to a member of the committee.
8. End of play checks must be done - all lights off; kettle emptied and unplugged if used; fire doors locked and diary signed out with time.
7. Gate padlocked.

There may be occasions when the lawns are booked for an event. This will be noted on the calendar.
